

SPICY COLE SLAW

1/2 cabbage (small) thinly sliced
1 - 2 carrots, grated or julienned
1/4 yellow or white onion, grated
1/4 cup red pepper jelly
1/4 cup mayonnaise
1 T apple cider vinegar
1 t celery seed

Toss the first three ingredients together in a large bowl. In a small bowl, mix the last four ingredients to make the dressing. Mix dressing well and add to cabbage mixture to coat.

Stir before serving. Can also add grated green or red bell pepper and purple cabbage, or purchased cole slaw in a bag. Serves 3-4.
